B. The licensed midwife may provide care to low risk patients as defined by the board and as determined by physician evaluation and examination to be essentially normal for pregnancy and childbirth. Such care includes prenatal supervision and counseling; preparation for childbirth; and supervision and care during labor and delivery and care of the mother and the newborn in the immediate postpartum period if progress meets criteria generally accepted as normal as defined by the board.

C. The physician who performs the evaluation and examination required by this Section shall disclose the reason and effect of the evaluation and examination to the patient and midwife using a form developed by the board for this purpose.

D. A licensed midwife shall refer to a physician for risk assessment a patient whose progress at any time during pregnancy or the postpartum period deviates from criteria generally accepted as normal as defined by the board, including but not limited to diseases such as gestational diabetes, and preeclampsia or conditions such as post-term pregnancy, forty-two weeks of completed pregnancy, multiple births, or breech presentation.

E. A patient has the right to refuse a licensed midwife's referral to any physician; provided, however, that a licensed midwife shall not knowingly accept or thereafter maintain responsibility for the care of a woman who does not obtain physician referral or when the results of the referral indicate that she no longer qualifies as a low risk patient.

F. Prior to providing any services, a licensed midwife shall obtain informed consent, in writing, of the patient in a manner and form prescribed by the board which shall include but not be limited to the following:

(1) The name and license number of the licensed midwife.

(5) A description of the licensed midwife's philosophy of practice.

(6) A statement recognizing the obligation of the licensed midwife to provide the client, upon request, separate documents describing the law and regulations governing the practice of midwifery, including the requirement for an evaluation and examination by a physician, the protocol for transfer or mandatory transfer, and the licensed midwife's personal written practice guidelines.

(2) A senior apprentice midwife may ~~only~~ provide care or services only under the supervision of a licensed physician, certified nurse midwife, or licensed midwife.

(3) An apprentice midwife may provide care or services only under the supervision of a licensed physician, certified nurse midwife, or licensed midwife.

§3245. Permits and licenses

* * *

D. Upon meeting the educational and clinical experience requirements provided by the board, a person may apply for a midwifery license by submitting the following:

(1) An application for the license and to take the next qualifying examination; provided, however, the board may issue a midwifery license to an applicant who holds current certification by the North American Registry of Midwives or such other certifying organization as the board may subsequently approve.

* * *

A. Any person authorized by the Louisiana State Board of Nursing to practice as a certified nurse midwife in the state shall not be affected by the provisions of this Chapter.

B. Any student pursuing a course of study in an accredited midwifery education program that is approved by the board who provides midwifery services, provided that such services are an integral part of the student's course of study and are performed under the direct supervision of a physician, certified nurse midwife, or a licensed midwife, and the student is designated by a title which clearly indicates his status as a student or trainee.

* * *

§3255. Examination

* * *

D. The examination administered by the North American Registry of Midwives, or such other certifying examination as the board may subsequently approve, shall be accepted by the board as a qualifying examination for purposes of midwifery licensure.

* * *

§3258. Professional liability

A. Physician evaluation and examination as provided in R.S. 37:3244 shall be deemed to constitute a risk assessment. A physician performing a risk assessment is responsible only for determining that at the time of the risk assessment the individual is at low or normal risk of developing complications during pregnancy and childbirth.

B. Physician risk assessment as defined in this Section shall not create either of the following:

(1) A physician-patient relationship or any legal duty, responsibility, or obligation by the physician to provide continuing care.

(2) A legal relationship between the physician and the licensed midwife or any duty, responsibility, or obligation by the physician to supervise, collaborate, back-up, or oversee the licensed midwife's care of the patient.

(7) The number, reason, and outcome for each elective hospital transfer.

(8) The number, reason, and outcome for each emergency transport of an expectant mother prior to labor.

(9) A brief description of any complications resulting in the mortality of a mother or an infant.

(10) Any other information prescribed by the board through rule or regulation.

B. A licensed midwife shall report within forty-eight hours to the board any maternal, fetal, or neonatal mortality or morbidity in patients for whom care has been given. The report shall include the

On page 2, delete lines 18 through 21 in their entirety and insert the following:

"Section 2.(A) Prior to January 1, 2013, any member of Louisiana School Employees' Retirement System or any member of another state system whose employment would make him eligible for membership in Louisiana School Employees' Retirement System may transfer to the Louisiana School Employees' Retirement System all of his accredited service which was earned in any other state retirement system as an active contributing member. An application for transfer pursuant to this Section shall be received by the Louisiana School Employees' Retirement System prior to January 1, 2013.

(B) The system from which the member transfers such credit shall transfer to the Louisiana School Employees' Retirement System all employee and employer contributions contributed by or for the transferring member plus interest at the lesser of seven and one-half percent compounded annually from each year of contribution to the date of transfer or the actuarial value of the transferred service credit.

(C) If the amount of funds transferred is less than the amount which would have been contributed by the member and his employer including interest earned thereon at the rate of seven and one-half percent compounded annually or the actuarial value, whichever is less, had all of the credit originally been credited in the Louisiana School Employees' Retirement System or at the accrual rate of the transferring system, the member, except as provided for in this Section, shall pay the deficit or difference including the interest thereon.

(D) If the funds transferred are less than the liability as determined by the Louisiana School Employees' Retirement System's actuary for the service credit transferred, the member may pay the difference or may, at his option, but only at the time of transfer, be granted an amount of credit in the Louisiana School Employees' Retirement System based on the amount of funds actually transferred based on a year-to-year comparison.

(E) All transfers under this Section shall be subject to payment of the actuarial cost related thereto. However, the member may pay for such credit at any time prior to submitting his written application for retirement. If, upon application for retirement, the member has not paid the full actuarial cost for the transferred credit, he shall be granted credit commensurate to the amount that he has paid. No duplication of credit shall result from a transfer under this Section.

Section 3.(A) The provisions of this Section and Section 2 of this Act shall become effective on July 1, 2012; if vetoed by the governor and subsequently approved by the legislature, the provisions of this Act shall become effective on July 1, 2012, or on the day following such approval by the legislature, whichever is later.
